vladimir sorokin is the most prominent and the most controversial contemporary russian writer having emerged as a prose writer in moscow s artistic underground in the late 1970s and early 80s he became visible to a broader russian audience only in the mid 1990s with texts shocking the moralistic expectations of traditionally minded readers by violating not only soviet ideological taboos but also injecting vulgar language sex and violence into plots that the postmodernist sorokin borrowed from nineteenth century literature and socialist realism sorokin became famous when the putin youth organization burned his books in 2002 and he picked up neo nationalist and neo imperialist discourses in his dystopian novels of the 2000s and 2010s making him one of the fiercest critics of russia s new middle ages while remaining steadfast in his dismantling of foreign discourses

gerald abraham s reputation as an authority on russian music has tended to obscure his deep interest in the music of poland and czechoslovakia and of the nineteenth century generally from a lifetime s devoted scholarship in these fields abrahams selected his best work to make up this volume first published in 1968 one of exceptional breadth and fascination the subjects range from the relationship of slavonic music to the western world to detailed essays on figures such as chopin dvorák rubinstein and mussorgsky a study of realism in janacek s operas contains a particularly fine analysis of *from a house of the dead* and there is an account of the fantastic erotic diary for piano in which zdenek fibich one of the finest nineteenth century czech symphonists recorded the secrets of his love affair with former student and librettist anezka schulzová gerald abraham 1904 1988 was a distinguished musicologist among his official posts those of professor of music at the university of liverpool and assistant controller of music at the bbc

today s russia unstuck in time suggests is a nation of time travelers living either in memories of the great patriotic war and a society that provided for all its citizens or in an alternative future in which the ussr never collapsed eliot borenstein examines the ways in which films fiction television social media political parties and even theme parks use the conventions of time travel and alternate history to fantasize about narratives that are more appealing than the post soviet present unstuck in time explores the centrality of an uncannily persistent ussr in the post soviet cultural imagination through deeply engaged and entertaining readings of an impressive array of texts fantasies in which characters time crash into the soviet past fictions of triumphant far future soviet societies and real life enterprises feeding the belief that the soviet union never ended whether channeled into benign nostalgia or dangerous mythmaking the cases that borenstein analyzes reveal the extent to which the psychic shock of the end of the soviet union left russians adrift caught between a past many still long for and a future few can imagine
